

Your Support Matters

We invite you to join us as an event sponsor for iPartner India Canada's Spring Gala 2026. This is a wonderful opportunity to show your support for the education of children and be recognized in the community for your generosity.

This is our sixth annual Spring Gala and we expect 400 distinguished guests to attend. Last year's Gala was attended by 300 guests, including business owners, professionals and philanthropists. We assure you the very best visibility at the event, on social media and the event website, while supporting this good cause.

About iPartner India, Canada

iPartner India, Canada is a Canadian charity working on projects to provide education, shelter and nutrition to vulnerable children in India. Our focus is on the education of girls vulnerable to exploitation and trafficking in rural India. We work in some of the poorest villages of Rajasthan, India, where some communities survive only through the trafficking of their own daughters.

Our intervention in these communities has, so far, provided more than 700 scholarships to girls vulnerable to exploitation, ensuring that they stay safe and enrolled in school.
